Minor League All-Stars Win

Sunday, July 22, at McDonald Field . . . The first game in a series between the Minor League All-Stars and the boys who do not play much their first year in Little League. Before a nice crowd of proud mothers and fathers, these boys showed they have learned what to do with a ball once they had their hands on it. This game was an eye-opener for people who do not see these boys in action. The Minor League All-Stars gave the Little Leaguers a hard fight all the way, and with Burt and Sillaman throwing for the minor leagues they wound up holding their own.

With the game going into the 6th and the "Pros" - as the Little Leaguers were called - leading 9 to 7, the roof fell in. Van Omar, pitching for the Pros, walked three and was replaced by Long; the Minor Leaguers scored two runs, and an added one broke up the ball game in their favor. It was a hard-fought game, and the coaches deserve a big hand for the work they put in on these boys this year.

Little League Series

The Greenbelt Little League will open its 14th City Series on Saturday, July 28, at 2 p.m. at McDonald Field.

The G. H. I. Giants in an overtime game beat out the Jim Lemon All-Stars, 7 to 6, thus clinching the American League Championship. The National League contest was still in doubt at press time, with the Indians and D.A.V. Tigers both in the running. It is possible a play-off will be necessary to find the champs. No matter which one it will be, you are sure of seeing the two best teams in the Little League.

LITTLE LEAGUE CHATTER

by Bud Dean

With the Little League season going into the final week of play at press time, there is still no clear-cut champion in the National League. It is nip and tuck with the Indians and the D.A.V. Tigers, with one game left to play. In the American League, the G.H.I. Giants beat out the Jim Lemon All-Stars. This has been one of the most successful seasons in Greenbelt Little League history, with all teams battling away all season. It has been no runaway for any team.

Monday - rained out

Tuesday - The Indians with Gordon Wayne chucking a fine one-hitter, kept their title hopes alive by downing the American Legion Cardinals.

Indians 14, American Legion Cardinals 4.

Wednesday - rained out

Thursday - In a real right-about-face the down-trodden Co-ops, after losing 14 games this year, rose up in their glory and slapped down the league's leading Giants. With Billy Jett tossing a neat 3-hitter and helping his cause along with three timely hits, the Co-ops can be proud of the fine game these boys played. It was a fine team effort and helped make up for a losing season. This team should be one of the top teams in the American League next year.

Co-op 5, Giants 3.

Friday - With Stottler pitching one of his better games the "in-and-out" American Legion Cardinals notched a fine win over the strong D.A.V. Tigers.

American Legion Cardinals 8, D.A.V. Tigers 6.

Saturday - For a baseball buff Saturday was heaven at McDonald Field with four games going.

In the 10 o'clock game the Lions behind the chucking of Lundegan and the hitting of Lickliter, put the evil eye on the Jim Lemon All-Stars.

Lions 7, Jim Lemon All-Stars 4.

The 12 o'clock game put the top teams in the American League together and with the league lead in the balance. The G.H.I. Giants, behind the fine 2-hit pitching of Mike Jones, knocked the hapless Pepsi Cola Athletics out of the lead.

G.H.I. Giants 10, Pepsi Cola Athletics 0.

In the 2 o'clock game the Lions were no match for the fighting D. A.V. Tigers.

D.A.V. Tigers 11, Lions 6.

The 4 o'clock game with J.L. All-Stars and Pepsi Cola Athletics played their second game of the day with the League leadership still at stake for the Athletics. The Athletics kept up the pace they used in the morning game. John Childers of the All-Stars had them eating out of his hand, tossing a neat 3-hitter at them. This put the Athletics one game behind the leader G.H.I. Giants - with one game left to play.

Jim Lemon All-Stars 9, Pepsi Cola Athletics 1.

Golden Agers Picnic

Last Saturday afternoon the Greenbelt Youth Center put on a picnic for the Golden Age Club. It took place at the Greenbelt lake, where the Golden Agers ate hot dogs, played bingo, and had a great time. Transportation was provided by Rich Stevenson in the Greenbelt bus. The teenagers planned the picnic in appreciation of the work done by the Golden Age Club, such as dyeing Easter eggs and fixing baskets for the egg hunt last Easter.

Lassies Lively Batters

The Lassies have been engaging in a lot of action. In a Double Header, the Indians beat the Giants, 12 to 11, with Margie Shanahan, captain of the Indians, hitting a homer; and the Athletics taking a game from the Lions, 19 to 10, with Mary Seacrest and Maureen Gaffney hitting homers for the Athletics.

On July 23, the score was the Indians, 8 and the Lions, 7. In an evening game the Athletics chalked up 20, the Giants 10. Homerun hitters for the Athletics were Mary Ditman, Mary Seacrest (2), Pat George, Deby Maley, and Linda Miller. Mary Coulter hit a grand slam. Mary Ellen Rattigan hit two homers for the Giants and Barbara Hudson swung hard for one.

The Athletics retain their first place standing. The Giants are in second place, followed by the Lions and Indians.

All Greenbelters are urged to come out and watch the girls play on Friday, July 27, at 7:30 p.m., Braden Field; Saturday, July 28, 9:30 a.m., Braden Field; Monday, July 30, at 6 p.m., North End School; and Wednesday, August 1, at 6 p.m., North End School.

GCS Area Delegation

The local delegation of Greenbelt Consumer Services plans to be host to about a hundred Swiss co-operators on Thursday, August 9. They will arrive late in the afternoon after visiting the Takoma Park store, take supper at the Methodist Church, and then attend a folk dance at the Youth Center.

In preparation for the coming GCS Congresses, suggestions are invited for improvement in election procedures. Mathew Amberg and Mary Barstow of Greenbelt and three members from other areas are to report on this subject before October 11. Harvey Geller is to head the Joint Consumer Advisory Committees of all the branches. Seymour Kaplan was elected chairman of this committee for the Greenbelt area.

Vaclav Majer was continued as chairman of member-relations, and, with Jessie Dean, was continued on the Congress Advisory Panel of the Newsletter. Eight of the 13 elected delegates were present; the resignation of Matthew Fontaine was received; there were only four visitors.

Adult Swimming Course

An additional course of swimming instruction for a limited number of adults will be held on Monday evenings at 8:30 p.m. starting July 30. Those interested may register at the pool, on a first come first-serve basis. A small fee will be charged at registration.

Police News Review

Numerous reports are still being received from persons who have left items along the side of the pool and who have returned to find them missing. Parents are advised to inform their children that no valuable items should be left around the pool. There is a service offered, for a small fee, that will hold items while persons are bathing. The city cannot be responsible for any items not turned in for safekeeping.

Police are picking up stray cats when complaints are received regarding same.

A very young child was struck and narrowly escaped serious injuries this past week. The little girl was on her tricycle in the parking area of her court when a car entered the court. The auto struck the bicycle, throwing the child to the ground. She was taken to the hospital for a quick check and released without apparent serious injuries.

A police check on some book salesmen reported in the area disclosed that they did not have a solicitor's permit. They were informed that no public solicitations of any kind are permitted in the city without a Hawker's and Peddler's Permit. The ordinance regarding this further states that any public selling which entails the use of noise to attract possible customers, such as bells on an ice cream truck, is prohibited after 8:30 p.m. and before 1 p.m. on Sunday.

A number of acts of vandalism have been committed at the Youth Center lately. Just recently, a number of shrubs and fence posts were pulled up and tossed on the roof.

Three boys were reported on Northway using sling-shots. Police confiscated the slings, since their is an ordinance forbidding their use.

Three juveniles were found drinking beer in a parked car at the Center. The boys were from out of town. Two were released to their parents' custody. One was released to his sister, who is a resident of Greenbelt.

A soda-pop bottle was tossed through a window at the local High's store last week. The police are checking on possible suspects who were reported in the area when the event happened.

For the second time in the past few months, the soda-pop machine at the Tydol gas station was tampered with. Nothing was reported missing.

Police received reports that vegetables are being stolen from the gardens behind GHI. A lot of care has been necessary this year in order to make these gardens flourish. Police are checking the area.

Courts Repairs Delayed

The recent rains have held up progress on the repairing of the tennis courts. Although the patching had been completed for some time, the courts had not dried out enough for the application of a layer of asphalt until Tuesday.

PERFORMERS WANTED

A new feature of the Labor Day festivities will be a performance of Greenbelt entertainment artists. Chairman Mrs. Elizabeth Wuermser says, "This is not to be confused with the talent contest. We want performers with experience, and are seeking some unusual acts. Call Mrs. Wuermser at GR 4-6012.

TENNIS CLUB

With the resurfacing of our tennis courts in Greenbelt, those of us who play tennis will be playing here more often. It will be to our advantage to form a tennis club.

Aside from being a place just to meet other tennis players, a club can get an instructor through the Recreation Department, arrange tournaments for fun or with other clubs in this area—anything we choose. You don't have to be a champion to play tennis. Everyone who owns a tennis racket is invited to attend a meeting at 7 p.m.

on Tuesday in the Youth Center. Y'all come.

YELLOW PAGES
Success Story

**"The Yellow Pages is our best business builder!"**

says Raymond Stone of Bethesda TV and Appliance Company

"Bethesda TV and Appliance Company was established in 1947 with two employees, one service truck, a few tools, and a small shop," reports Raymond Stone.

"Today, we have a modern showroom, a well-equipped Service Department, 10 employees and five service trucks.

"As our business grew in the field of servicing televisions, we began servicing other types of appliances.

"We have used Yellow Pages advertising to develop new business for many years. The Yellow Pages has been particularly successful in building up our suburban Maryland and northwest Washington market.

"To promote the many related products in our television and radio business, we are listed in the Yellow Pages under numerous headings.

"I use the Yellow Pages myself and I believe most people do—it's an excellent source of information and a fine buyer's guide."

Your Yellow Pages advertising may more than pay for itself with the first sale it brings.

And many advertisers have found that the Yellow Pages brings them many sales every day.

The reasons are clear. The Yellow Pages takes your message to virtually everyone in your trading area. And your message is always timely. Your prospects find you fast—call you fast—the moment they need your product or service.

Invest in success with Yellow Pages advertising. Call your nearest C & P Business Office and ask for one of our Yellow Pages representatives.
